CONDITIONAL ACCEPTANCE

Based on Sibelius Academy's separate application admissions requirements 2018, applicants are eligible for education leading only to a higher university degree (Universities Act, Section 37) if they have completed one of the following:

- 1) An applicable lower university degree;
 - Applicants must send a copy of the degree certificate so that it reaches the Sibelius Academy Admissions Office no later than 24 January 2018 (3 p.m. Finnish time).
- 2) An applicable polytechnic degree; or
 - Applicants must send a copy of the degree certificate so that it reaches the Sibelius Academy Admissions Office no later than 24 January 2018 (3 p.m. Finnish time).
- 3) An applicable education completed abroad which in the awarding country gives eligibility for corresponding higher education
 - Applicants must send a copy of the qualification certificate so that it reaches the Sibelius Academy Admissions Office no later than 24 January 2018 (3 p.m. Finnish time).
 - N.B.! For Sibelius Academy, an applicable qualification is a qualification in music.
- 4) The Sibelius Academy may deem an applicant as eligible for the 2.5-year education even if they haven't completed an applicable degree in music. In this case, the applicant needs to have completed a higher education degree in another field and, additionally, music studies at the university level, which serve as proof of sufficient skills and knowledge in music to complete a higher university (Master's) degree.
 - Applicants must deliver the degree certificate and a clarification of the university-level music studies so that they reach the Sibelius Academy Admissions Office no later than 24 January 2018 (3 p.m. Finnish time).
- 5) Applicants who complete the degree mentioned above (in items 1–4) in spring 2018 are deemed eligible for education
 - If applicant has not completed their studies by the deadline, they do not need to submit their study certificates during the application period.
 - Applicants must submit a copy of their qualification certificate to the Sibelius Academy Admissions Office after they graduate, but no later than 10 July 2018 at 3 p.m. (Finnish time). In this case, the decision on the applicant's admittance is conditional until they prove that they have completed the required degree. If applicant fails to produce a verified copy of the certificate of their existing lower degree by the deadline, they will not be granted a right to study at the Sibelius Academy.

Sibelius Academy does not admit applicants to the 2.5-year education if they have not completed at least a lower university degree.

HOW TO CONFIRM YOUR STUDY PLACE

In order to confirm the study place, you must accept the place **no later than Friday 27 April 2018 at 3 p.m. Finnish time.**

Confirming a study place is to be done primarily electronically. If you have been accepted to a study programme, you will receive an e-mail with a confirmation link. Click the link and confirm the study place. If you have a Finnish social security number

and Finnish online banking credentials, mobile certificate, or an electronic ID-card, you can confirm the study place also by logging in to My Studyinfo -service (www.studyinfo.fi). The feedback is intended to guide the applicants to further improve their performance and to help them find development areas.
