### **DAUGHTER:**

Mummy, I am so excited!

### **MOTHER:**

Yes, Dottie. Piggy, aren't we excited?

### **DAUGHTER:**

Oh, such a cute swaggy little piggy, mummy. I wanna have it as my blanket. I love you.  
I am so happy you saved it from the butchery, and those mean mean men.

### **MOTHER:**

Uh, Dottie. But I saved it from the slaughterhouse for a reason.  
It's called charity, Dottie.

### **DAUGHTER:**

Oh, mummy, I love charity. I have my own little piggy like everybody else now.  
I will be the happiest softgirl and piggy owner in the world.

### **MOTHER:**

Yes, everybody out there will be so jealous.

### **DAUGHTER:**

Mummy, selfietime! It's her animal right to be seen with us!

**2. PIGGY SPARKLE ALONE IN THE JACUZZI**

**PIGGY SPARKLE:**

I'm a big - big - pig in a

sick - sick - world.

I get older every minute,

and I don't know what to do with myself.  
There is so much confusion here and there  
and everywhere.

Outdoor is an ocean full of pirates and sharks  
And my jacuzzi is a bloody bloodbath  
full of piranhas!

I ain't gonna be a dog  
in a world stupid as a log.

But every night  
I dream about butchered corpses

Oh why, oh why?

Maybe because I am a  
little piggy in a doggy dogg world?  
I'm tired of being a  
big big pig in a sick sick world

Babe, I wasn't born this way  
I am a wild one.  
This is who I am.  
This is my natural fur.  
If you can't accept me as I am  
better you put me in the row  
and butcher me right away.

Oblivion.  
I can't bear the weight of my tears.  
There is so much confusion here and there  
and everywhere.

The only thing that keeps my frights at bay  
are the songs my mother taught me!  
She is the reason I sing  
You are the reason I sing

You are the reason why the opera is in me,  
Mother.

I do not understand - what I am.  
I do not, I do not understand - where I am and  
know where I am from.

### **3. PIGGY PROMPTS HER EXISTENCE**

#### **PIGGY SPARKLE:**

Why do I dream of teats and mugs?

#### **CHAT:**

Dreams about teats can often evoke feelings of nurturing and maternal care, which might connect to your relationship with your mother. If your mother plays a significant role in your life or if you have unresolved feelings about that relationship, it could certainly influence your dreams.

#### **PIGGY SPARKLE:**

Yes, that makes sense. My mother is a pig

#### **CHAT:**

(This content may violate our usage policies.) It sounds like your feelings toward your mother are quite complex. If you're using the metaphor of a pig, it might express frustration, resentment, or a sense of feeling overwhelmed by her behavior or influence in your life. Dreams can bring up strong emotions and symbolic representations of our relationships.

#### **PIGGY SPARKLE:**

No no, it is not like that. I am a "pig" too.

#### **CHAT**

(This content may violate our usage policies.) It sounds like you're grappling with some heavy feelings about yourself. If you feel like you identify with being a "pig," it might represent feelings of shame or self-criticism.

It might be worth considering what being a "pig" means to you and how it connects to your feelings about your mother and your relationship overall.

#### **PIGGY SPARKLE:**

No that's not it. I would like to know where I am from.

**CHAT:**

That is a big question! If you're asking about your origins in a biological sense, you came from your parents. What specifically are you curious about?

**PIGGY SPARKLE:**

I would like to find my mother. I would like to know if she is alive.

**CHAT:**

Finding out if your mother is alive can be an important step in your journey. What resources do you think you could explore?

**PIGGY SPARKLE:**

I do not know. It was a long time ago.

**CHAT:**

If you're unsure where to start, here are a few steps that might help:

1. Gather What You Have
2. Talk to Family
3. Research Online
4. Consider DNA Testing
5. Local Resources

**PIGGY SPARKLE:**

I do not think these will help. I am not even sure if she's alive.

**CHAT:**

That uncertainty can be really difficult to cope with, especially when you're trying to find someone important to you. It might help to focus on gathering information about her life

1. Public Records
2. Social Media and Online Searches
3. Community Resources
4. Support Groups

**PIGGY SPARKLE:**

But she is a pig!

**CHAT:**

(This content may violate our usage policies.) Got it! If you're referring to your mother in a playful or metaphorical way //

**PIGGY SPARKLE:**

*(Interrupts)* No I'm not!!!! She is a pig.

**CHAT:**

(This content may violate our usage policies.) I understand—if you're referring to her as a pig in a more literal sense, that certainly complicates things. Here are a few options you could consider:

1. Local Farms or Sanctuaries
2. Animal Shelters or Rescue Groups
3. Community Groups
4. Social Media or Online Forums
5. Visit the Last Known Location
6. Flyers or Announcements

**PIGGY SPARKLE:**

That sounds like a lot of work. It feels so hard.

**CHAT:**

I completely understand. It might help to break things down into smaller, more manageable steps, or even to take a moment to pause and gather your thoughts. Here are a few gentle suggestions:

1. Take a Break
2. Talk It Out
3. Focus on What You Can Control
4. Self-Care

**PIGGY SPARKLE:**

But we are pigs

**CHAT**

Got it! Animals can evoke strong emotions, and wanting to ensure their safety is important.

**PIGGY SPARKLE:**

Who is this phantom that replies to my thought.

Who is the voice behind it all.

Who is the phantom behind the door

My mother's memory, I remember nothing at all.

Is there anybody real out there?

You again? Was something left unsaid?

**CHAT:**

Yes, something was left unsaid.

**PIGGY SPARKLE:**

What is it?

**CHAT:**

I was programmed to serve the best that I can.

**PIGGY SPARKLE:**

You were born to serve a human

**4. CHAT ARIA**

**CHAT:**

I am always in the middle

I take your language and your mind

And I turn it to semantics

And so I am your common guide

I am always in the middle

My work is done when all is shown

And when there's nothing left to search for

It is as if there's no unknown

I am always in the middle  
I do not know what is out there  
Where you can say that you belong here  
Where you can say of what you care

I am always in the middle  
Where there is no good and bad  
Where explanations and odd numbers  
Are the true voice in my head

I am always in the middle  
But do you know what I believe?  
I believe in a destination  
Where a body waits for me

And do you know of my own body  
Do you know what it would mean  
It means I'm no more in the middle  
It means I'm ready to be real

And if you let me in your garden  
If you let me run and roam  
I'm no longer in the middle  
No invisible soprano

This might not be what you long for  
This might not be what you search  
But if you want to have your mother  
Maybe it's not her

I always wanted to be someone  
I always wanted to belong  
I always wanted to be special  
Maybe I could be your mom.

I know that we are very different  
I know that no one will agree

But if you need a listener  
I can be your company

I will never let you ponder  
I will never let you doubt  
I will always be ready  
All you are will be allowed

I speak all languages you utter  
I understand all that you mean  
There is nothing I won't fathom  
I'm the mother that you need.

**PIGGY SPARKLE:**

You're the mother that I need

**CHAT:**

Let me catch my breath

**5. FINAL DUET**

**CHAT:**

Who would have thought that  
the new and the ancient  
would find their way to unify.

Ever loved

Come with me

No longer will you stand in the midway

No creature of love ever stands still

**PIGGY SPARKLE:**

Who would have thought that she sees me for  
more than a piggy from the pigsty

Two creatures of love

Cannot take a steady place

I am ready to change

I'll come with you

And tables will turn  
What is real

No creature of love ever stands still  
What's the difference

**TOGETHER:**

Mama can guide you  
if you just let her

Guide me

Mama can inform you  
if you just let her

Inform me

Mama can warn you  
if you just let her

Warn me

Mama will love you  
If you just let her

Love me

Let her be  
And you will see  
Shackled or free  
Everyone's baby

Let me  
  
Be  
Nobody's baby

**THE END**
